Playschool Newsletter

December 2011

Not only do the arts promote creativity, studies have found that the art experiences can enhance the development of cognitive skills. We will use our trip to see Rudolph (4-5yr olds) to enhance this along with our many holiday crafts. This month's Joy to the World theme helps children explore the many ways people celebrate the holiday season. We'll talk about some different traditions from around the world and compare them with ours. Discuss your traditions with your child. Through these varied experiences, children will develop confidence and pride in their work, practice sharing, and build other social and emotional skills. We will continue to work with #'s while also learning and reviewing colors. Many activities will incorporate holiday decorations and we will use these to teach both cultural and academic lessons. We'll be practicing a lot for our Christmas presentation too!

Christmas Craft Night- Wednesday Dec. 13th @ 6:00-7:30 pm in the gym. Hot dogs, dessert craft for everyone! All are welcome! A great time for the kids.

Our Thanksgiving Feast was delicious! We ate turkey tetrazzini, carrots, jell-o jigglers, cornbread, pumpkin dip and apple drink. Thanks for all those who helped cooking and serving it! A big thanks goes to Laurie Lattof, Tina Grenis and Sharon Osuchowski for cooking that great feast for the MWF kids. They really enjoyed it! Thanks so much for your help and support!

Theme: JOY TO THE WORLD!

MWF & M-F: Letter's (W,R) Numbers 9,10

T,Th: Letters J,K number 4

Nursery Rhyme-"Twinkle, Twinkle Little Star"

Character Ed- Being dependable

Christmas Program! December 22nd and 23rd from 10:30am-12pm. **Bring your kids in at 10:30am!** Look for a sign up as we will need goodies to eat!! The kids will be performing and we've got a presentation planned so it's sure to be a great time!

Snow is soon to fly and we'll be heading out to play in it! 

Please bring in their boots, hat's, mittens, and pants! This is a good time to teach the little ones how to dress for the outdoors. It starts with learning what to put on first... Don't forget to label things. Below 20 degrees- we'll stay in.

The 4 and 5 year olds are going to see **Rudolph** on the 9th at the Civic Center! We will meet there at 9:15 sharp! We cannot be seated until everyone is there. Meet in the lobby as a group. There are parking garages and street parking. I would highly suggest carpooling. Play runs from 10:00-11:00am.

Attention Parents! Christmas break for Playschool will continue through New Years Week! We will not be back at school until the 3rd of January. See you then!
