Playschool Newsletter

A Newsletter for Parents and their Kids

March 2010

I'm Dino-mite!

"Today you are You, that is truer than true. There is no one alive who is Youer than You."

We are planning a bowling day for the PreK kids on Monday the 29th. It'll be at 10:00 at Green Lakes Bowling... We'll bowl and then have pizza and lemonade for lunch. Meet there at 10:00 (not at school at 9am)

We're talking all about Dinosaurs this month! Big ones, little ones, meat eaters and grass eaters. Oh boy there's so much to learn! The names alone are quite a feat!

We'll also talk about Dr. Seuss all month. **Why Celebrate Dr. Seuss?** Dr. Seuss is the most beloved children's book author of all time. His use of rhyme makes his books an effective tool for teaching young children the basic skills they need to be successful and develop a life-long love of reading. Celebrating Dr. Seuss and reading sends a clear message to our children that reading is both fun and important.

Dr. Seuss's Birthday is on March 2 so we'll celebrate Dr. Seuss all month by reading many of his stories. If you have any favorites, bring them in for us to share!

Picture Day! On the 11th and 12th. We'll have individual

and class pictures professionally done. Be looking for your picture package...

We'll be using Dr. Seuss books as the basis for many of our activities, from making green eggs and ham to math activities. We'll conclude the month on March 31st by having a movie day on a big screen!

Horton Hears a Who!

We have a staff development day on the 26th!

Thank You

Thank you so much to those of you who helped at and contributed to the Valentines party! Some of you brought in food, cookies to decorate and others volunteered to help make the morning a fun time for the children. The Parent representatives and volunteer Mom's were of huge help! The kids wouldn't have had near as much fun without your support. Your helping to make your children's preschool memories great! Thanks again.
