Playschool Newsletter

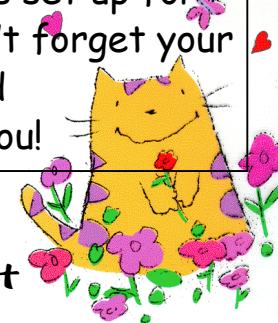

A Newsletter for Parents and their Kids

May 2010

Under the Sea! (and under the ground!)
There's something about the ocean that appeals to everyone- those who live far from the shore. Perhaps it's the overwhelming size of the ocean or the mystery of creatures living far below the surface. Children bring a sense of wonder to the exploration of sand and sea that opens them to a wide range of sensory experiences with sand, water, shells, and more. This theme will invite children to learn about the beach, harbors, boats, ships, underwater, and just a few of the many amazing sea creatures who live there. We'll also explore a little with the ground and planting things under ground. Literacy, numeracy, and other cognitive learning experiences will be included throughout the theme. The TTH kids will learn the final letters X, Y, Z, purple and the numbers 9 and 10. The MWF kids will be learning our final letters U, X, Y and then reviewing all of them. The numbers 1-20 are going to be discussed over and over along with all the colors.

We will be having a short **Mother's Day Presentation** on **Thursday May 6th** and **Friday May 7th**. We will need you here 30min. early (11:30), and there will be chairs set up for you in the Chapel. Don't forget your camera's. Iced tea and muffins to celebrate you!

Graduation sign up!

Don't forget to check the parent information center for food and activity sign ups. We'll have small projects you can help with, food items to bring in, and more to make our celebration both at the First Baptist and at Mill Run Park great fun for the kids. A little effort from many makes for a grand (and easy) production for all! Thanks in advance for all your help and support. As always it is greatly appreciated and so beneficial to the children at Playschool!

-Wendy, Lisa, Elaine, Colleen, Judy, & Suzanne & newbie Cindy Zazzara

Summer
Camp
June 7-18th

Two weeks of exploring 'Wild, Wild West' & Poking around the Pond'

Registration is now open for the current 3 year olds registered at Playschool. And also non-Playschool families. Monday-Friday, 9-12pm. The cost is \$185 for two weeks, \$100 for one. Registration due by 05/3/10.
